Important notice

-> Our monitors are wall mounted (brackets included) : a reinforced partition is compulsory. Check with your booth maker, or nearby the organizer of the exhibition.
If your partition is not reinforced / can't be drilled, you need a floor stand

-> Our monitors can read video on USB stick. The video must be MP4 using H264 codec. We can test the video sent 72h (working day) before the opening of the exhibition.
Our technicians will not convert the videos during setup

(*) : can't be rented alone

(**) Credit card deposit may be required
